

# Jones Middle School 2011-2012 Business Partner Program

## It doesn't take much to help

A donation to Glenn C. Jones Middle School will help many programs for students and teachers throughout the school year.

- Your contribution will provide you with a great sense of satisfaction that you have made a meaningful investment in the education of children in our community
- You will also be recognized by your customers as a valued partner of their children's school, as well as a "good neighbor."
- Your contribution may also be tax deductible (please consult with your tax advisor.) All contributing businesses will receive a personalized plaque for display at their business. We do understand the nature and challenge of the current economy
- If another time of year would be better for you, we will continue our Business Partner enrollment throughout the school year.
