Gatsby,  
Lunch sounds great. I will have to postpone our flight over the bay due to business, but thank you for the invitation.

Jay, really? You cannot avoid business like this. I've been trying to phone you for days. Do you really want to ignore me like this? Oh wait, I forgot, you contact me when you need help. I'm disappointed, sonny.

## Personal Information:

**Activities:** I could never read or study enough. I love learning new things, and creating new depth on what I already know. This is especially important in business, oh how I love spending time with my fellow successful business partners in the city. Actually business in general is a passion of mine. Don't worry though, I do take time to relax. I have the most beautiful view in my own back yard. The whole entire bay and that one green flashing light. If you've never seen it, you need to. It's inspiring. I can also take time to relax on my water plane. It is the best purchase I have ever made, by far, and trust me I make a lot of purchases. From luxurious clothing to expensive cars I enjoy them all.

**Favorite Music:** "Invisible" - Clay Aiken; "Don't Stop Believing" - Journey

**Favorite TV Shows:** The Real Housewives of New York; CNN News Center

**Favorite Movies:** Aladdin; Dead Poets Society; Oceans 11

**Favorite Books:** The Notebook; Hopalong Cassidy

**Favorite Quotes:** "If personality is an unbroken series of successful gestures then there was something gorgeous about him..."

"It is what preyed on Gatsby... in the abortive sorrows and short winded elations of emotion."
